Guidelines for the use of Masks	
1. What are the types of masks on the Ugandan market?	<p>There are two types of masks on the Ugandan market namely:</p> <ul style="list-style-type: none"> <li>A. Medical</li> <li>B. Non-medical</li> </ul> <ul style="list-style-type: none"> <li>The medical masks include: N95, KN95 and surgical masks.</li> <li>The non-medical masks are made out of fabric, fabric, medical masks should be reserved for health workers in health facilities and not for the general public since it is used in a hospital environment. It is highly contaminated by various infectious organisms and is reuse to risky.</li> </ul>
2. How do face masks work?	<ul style="list-style-type: none"> <li>COVID-19 is spread through sneezing, coughing, talking and breathing.</li> <li>When an infected person wears a face mask, the mask catches the virus from sneezing through breathing, coughing, talking and breathing.</li> <li>The mask also prevents droplets from an infected person reaching the nose and mouth of the person around it.</li> </ul>
3. What type of masks should be used by the community?	<ul style="list-style-type: none"> <li>The community is encouraged to use non-medical masks (made from cloth or fabric) and surgical masks.</li> <li>A 4-layer cotton masks with a filter material (e.g. paper tissue or coffee filter) or polypropylene filter material offer good for non-medical (knocking) high ground behaviour that is appropriate for mask. The material acts as a filter and can be removed before washing. This procedure is washable and reusable.</li> </ul>
4. How do you use a cloth and other face mask?	<ul style="list-style-type: none"> <li>What is a 'close contact' mask to used only a 'face mask' to catch/droplets over 100% (Report from CDC)</li> </ul>
5. Who should wear a mask?	<ul style="list-style-type: none"> <li>All people</li> <li>Children aged 6 years and above</li> <li>People with breathing difficulties: you can seek advice from medical personnel.</li> <li>Children aged 6-10 years are very active and cannot take care of their masks and maintain hygiene. They should only use the masks under close supervision.</li> <li>Children under 2 years should not wear a mask as they have a small lung capacity.</li> </ul>
