### Guidelines for the use of Masks

1. What are the types of masks on the Ugandan market?	<p>There are two types of masks on the Ugandan market namely:</p> <ul style="list-style-type: none"> <li>• Medical</li> <li>• Non-Medical</li> </ul> <p>The medical masks include: N95, H95, and surgical masks.</p> <ul style="list-style-type: none"> <li>• The non-medical masks are made out of fabric (cloth)</li> <li>• Medical masks should be reserved for health workers in health facilities and are not available since it is used in a hostile environment. It is highly resistant to various infectious organisms, and to reuse safely.</li> </ul>
2. How do face masks work?	<ul style="list-style-type: none"> <li>• COVID-19 is spread through sneezing, coughing, talking and breathing.</li> <li>• When an infected person wears a face mask, the mask blocks the air from coming through sneezing, coughing, talking and breathing.</li> <li>• The mask also prevents droplets from an infected person reaching the nose and mouth of the person wearing it.</li> </ul>
3. What type of masks should be used by the community?	<ul style="list-style-type: none"> <li>• The community is encouraged to use non-medical masks (cloth) made out of fabric (e.g. cotton) or paper (e.g. paper towel) or non-plastic (e.g. polypropylene) that makes them often used for non-plastic (e.g. polypropylene) gloves between the fingers and around the mask. The material acts as a filter and can be removed before wearing. The procedure is available and reusable.</li> </ul>
4. How preferable are cloth and other face-masks?	<ul style="list-style-type: none"> <li>• "Wearing a cloth cover mask is considered a 'first' mask. It can be worn over a 'first' mask (e.g. Respirator/FFP2/FFP3/FFP4/FFP5/FFP6/FFP95/FFP99).</li> </ul>
5. Who should wear a mask?	<ul style="list-style-type: none"> <li>• All adults</li> <li>• Children aged 6 years and above (those with breathing difficulties) should seek advice from medical personnel.</li> <li>• Children aged 2-5 years are very active and cannot take care of their masks and observe hygiene. They should only put on masks under close supervision.</li> <li>• Children below 2 years should not wear a mask as they have a small lung capacity.</li> </ul>
