

#### Daily summary

Individuals who have received a first dose of COVID-19 vaccine\*

1,935,003

Individuals who have received a two dose course of COVID-19 vaccine\*

846.180

"These figures are a daily cumulative snapshot of vaccinations given and recorded electronically as at 2200 yesterday. Data entry will be incomplete at time of this daily report and the number of people vaccinated will be higher than these totals. Ongoing data entry will feed through into future updates. The data in this table are deduplicated so that people should not be "double-counted," early in the papear in multiple printing records.

## Uptake by priority group and age, counting individuals in all groups in which they belong

| Group  | Group size (n) | Received 1st dose<br>(n) | Received 2nd<br>dose (n) | 1st dose uptake<br>(%) | 2nd dose uptake<br>(%) |
|--|----------------|--------------------------|--------------------------|------------------------|------------------------|
| Care home residents                              | 15,228         | 14,887                   | 13,721                   | 97.8%                  | 90.1%                  |
| Care home worker                                 | 38,076         | 34,608                   | 30,126                   | 90.9%                  | 79.1%                  |
| 80 years and older                               | 173,654        | 166,031                  | 156,724                  | 95.6%                  | 90.3%                  |
| Health care worker                               | 142,540        | 135,003                  | 119,412                  | 94.7%                  | 83.8%                  |
| Social care worker                               |                | 45,341                   | 38,698                   |                        |                        |
| Aged 75-79 years                                 | 132,919        | 128,029                  | 121,431                  | 96.3%                  | 91.4%                  |
| Aged 70-74 years                                 | 183,464        | 175,549                  | 164,472                  | 95.7%                  | 89.6%                  |
