COVID-19

[COVID-19 Dashboard](#) | [Directives & Guidances](#) | [Isolation](#) | [Quarantine](#) | [Resources](#) | [Recursos en Español](#) | [Reports](#) | [Vaccination Plan](#) | [Testing](#)

To protect yourself and others, the ADH recommends:

- Wash your hands often with soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
- Practice physical distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- If you think you have been exposed to COVID-19 or develop a fever, cough, or shortness of breath, seek testing. [Testing is available in many locations](#), including ADH Local Health Units.
- Wear a face covering when you are exposed to non-household members and physical distancing cannot be assured. Click [here](#) to read the requirements.

Alerts/Updates

COVID-19 Update

October 23, 2020
