COVID-19

<u>COVID-19 Dashboard | Directives & Guidances | Isolation | Quarantine | Resources | Recursos en Español |</u> <u>Reports | Vaccine | Testing</u>

To protect yourself and others, the ADH recommends:

- Wash your hands often with soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
- Practice physical distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- If you think you have been exposed to COVID-19 or develop a fever, cough, or shortness of breath, seek testing. <u>Testing is available</u> in many locations, including ADH Local Health Units.
- Wear a face covering when you are exposed to non-household members and physical distancing cannot be assured. Click here to read the requirements.
