COVID-19

<u>COVID-19 Dashboard | Vaccine | Directives & Guidances | Isolation | Monoclonal Antibodies | Quarantine | Resources | Recursos</u> <u>en Español | Reports | Testing | Volunteers</u>

Map of COVID-19 Vaccination Locations

To protect yourself and others, the ADH recommends:

- Get the COVID-19 vaccine when it is available to you. Click here for more information about vaccination.
- Wash your hands often with soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
- Practice physical distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- If you think you have been exposed to COVID-19 or develop a fever, cough, or shortness of breath, seek testing. <u>Testing is available</u> in many locations, including ADH Local Health Units.
- Wear a face covering when you are exposed to non-household members and physical distancing cannot be assured. Click here to read the requirements.

Alerts/Updates

- UPDATE: Directive Regarding Long-term Care Facilities Visitation, Screening, and Staffing
- ALERT: Vaccine plan in response to COVID-19 pandemic
- ALERT: COVID-19 Guidance for Schools | Resource Call Center 1-833-353-6050
- Click here for more information in our interactive COVID-19 dashboard.
