View the COVID-19 Transmission Risk Levels Map
(<https://arcg.is/1D4SPm1>)

According to the **Idaho Back to School Framework** (<https://www.sde.idaho.gov/re-opening/files/Idaho-Back-to-School-Framework-October-2020.pdf>) posted at local public health districts, this color-coded map identifies category of transmission level within a community using scientifically driven metrics. This map shows the current evaluation by the local public health districts by county. Questions? Contact your **local public health district** (<https://coronavirus.idaho.gov/contact/>).

A REMINDER

To protect your family and friends, your community, vulnerable Idahoans, local businesses, and our students and teachers, please remember to:

- Keep at least six feet between you and others in public

- **Wear face coverings in public places** (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>)
- Stay home if you are sick
- Wash your hands often
- Cover coughs and sneezes
- Disinfect surfaces and objects regularly
