COVID-19 Weekly Public Health Report

Notice

***The Weekly COVID-19 Public Health Report, including the city/town data and map, will be posted on Thursdays, beginning 10/22.**

Updated each **Thursday*** by 4 p.m.

- [Weekly COVID-19 Public Health Report - October 22, 2020](#)

Please note: an earlier version of the October 22nd Weekly Public Health Report contained an incorrect state positivity rate for the last 14 days. This has been corrected in the revised document posted above.

The Weekly Public Health Report includes enhanced, more granular information to be updated on a weekly, or biweekly basis.

This data includes:

- Case and testing information by city/town
- Contact tracing cases and outreach
- Individuals released from isolation (recovered)

- Cases and case rate by age for last two weeks
- Probable cases
- Cases and deaths in Long Term Care Facilities
- Infection control survey results at nursing homes
- PPE Distribution

Raw data used to create the Weekly Public Health Report: [Weekly Public Health Report - Raw Data - October 22, 2020](#)

Please note: an earlier version of the October 22nd Weekly Public Health Report - Raw Data file contained an incorrect state positivity rate for the last 14 days. This has been corrected in the revised document posted above.

Community-Level COVID-19 Data Reporting

Updated weekly, following publication of the Weekly COVID-19 Public Health Report

- [COVID-19 Community-Level Data Map](#)

The Community-Level Data Map shows each Massachusetts city or town designated as a higher risk, moderate risk, or lower risk community. Each risk level is based on the average daily COVID-19 cases per 100,000 residents, as indicated in the Weekly COVID-19 Public Health Report.

- [Communities Not Designated Lower-Risk](#)

This page lists communities that are **not** designated as lower-risk communities. These communities are not permitted to move into Step II of Phase III of the Commonwealth's reopening plan. Lower risk communities are defined as cities and towns that have not been designated in the "red" category in any of the last three weekly Department of Public Health weekly reports.

COVID-19 Weekly State Facility Report

Updated each Wednesday.

- [EOHHS COVID-19 Reporting](#)

The EOHHS COVID-19 Reporting includes data on Executive Office of Health and Human Services (EOHHS) state-operated facilities and congregate care sites.

This data includes:

- Total residents/patients and staff as well as COVID-19 positive patients/residents and staff at EOHHS state-operated facilities
- Total residents and staff as well as COVID-19 positive residents and staff at congregate care sites under the Department of Developmental Services, Department of Children and Families, Department of Mental Health, Department of Public Health, Department of Youth Services, the Massachusetts Commission for the Blind, and the Massachusetts Rehabilitation Commission.
- EOHHS mobile testing program data
- Department of Corrections onsite testing data
