COVID-19

# SOCIAL GATHERING GUIDANCE

Socializing with family or friends may feel safe, but it is risky – especially with COVID everywhere in Michigan today. It's best to only get together outside. If you must gather indoors, you may only see two other households at a time.

## To reduce risk, follow these guidelines:

**Pick only two other households to see over the next three weeks.** Even better, form a consistent **social pod**.

**Choose households that are also being careful.** If anyone feels sick, postpone the gathering.

**Limit duration indoors.** The longer the visit, the greater the risk.

## Follow these rules as much as possible:

Wear a mask – only take it off when you eat or drink, then put it back on.

Stay six feet apart.

Keep voices down and avoid shouting or cheering.

Do not share utensils.

**After a gathering, monitor yourself for symptoms of COVID-19. If anyone in the group feels sick, get tested.**

For more information about social gatherings, visit [Michigan.gov/Coronavirus](https://Michigan.gov/Coronavirus). Questions or concerns can be emailed to [COVID19@michigan.gov](mailto:COVID19@michigan.gov).

## DON'T BRING COVID HOME. GET TESTED.
