

COVID-19 North Carolina Dashboard

The North Carolina Department of Health and Human Services (NCDHHS) continuously works to improve the timeliness and accuracy of our data. Due to implementation of changes aimed at improving system performance, the NC COVID-19 Dashboards will not be updated on Sunday, Feb. 28, 2021.

Knowing when to dial up or down measures that slow the spread of the virus depends on North Carolina's testing, tracing and trends. This dashboard provides an overview on the metrics and capacities that the state is following.
