## COVID-19 North Carolina Dashboard

*The NC COVID-19 dashboard update on Thursday, March 25, 2021, will include 68 additional deaths identified by Wake County Public Health following a review of their vital records data. The deaths occurred between June 1, 2020 and March 8, 2021. For more information, see <https://covid19.wakegov.com/>.*

*Beginning Friday, March 26, 2021, the NC COVID-19 Dashboards will be published Monday through Friday.*

Knowing when to dial up or down measures that slow the spread of the virus depends on North Carolina's testing, tracing and trends. This dashboard provides an overview on the metrics and capacities that the state is following.
