Providers	City	County	Janssen Doses Received		Janssen Doses Administered	
			Doses Received & Transfers ¹	Reported/ Approx. Distribution ²	Doses Administered ³	Dose Utilization ⁴

Note 1: Cumulative received doses with increases or decreases for doses transferred. Doses Received are updated on Mondays based on CDC VTrckS vaccine ordering data for ordered doses; and the day after distribution for doses distributed by DHEC's Redistribution Site.

Note 2: For receiving organizations that operate multiple providers, shown are the individual provider portions if reported to DHEC; or approximations based on administered doses ratios.

Note 3: Data reported to DHEC's SIMON immunization database; or the federal VAMS database. Providers have up to 24 hours to submit administration data to either system.

Note 4: DHEC's number of inventory is based on 10 doses per vial. It has been reported by some facilities that they are able to get an additional dose per vial, which can cause a utilization > 100%.

Note 5: These are administrations that were reported to DHEC's SIMON immunization database by a provider without an assigned provider identification number. DHEC is working with these providers to complete enrollment and the administrations will be added to the table once enrolled.
