Wyoming COVID-19 Vaccine Information

Vaccine supplies continue to be limited. Because of this, W yoming is administering the vaccine in a phased approach. We are currently in Phase 1.

The image below illustrates the priority populations within each part of Phase 1. Counties are administering the vaccine locally and are working through Phases 1a-1c. Currently, most counties are vaccinating groups that fall into 1a and and some groups in 1b. Click on the image, or here, to see more details for each priority designation.

Who is included in Phase 1 of Wyoming's COVID-19 vaccine distribution plan?

PHASE 1b

- Individuals 65 years of age and older
- Some frontline essential workers who interact with the public*
- Individuals with specific medical conditions**
- People on the Wyoming Medicaid Community Choices Waiver and Developmental Disabilities waivers
- Caregivers of medically vulnerable persons who are unable to get vaccinated

PHASE 1c

- Individuals experiencing homelessness
- Individuals who live in group settings, including prison or jail
- Critical infrastructure workers***
- Individuals living in college dormitories

*Frontline essential workers include police, firefighters, correctional staff, funeral service practitioners, congregate care employees, healthcare providers, healthcare facility surveyors, teachers, child service providers, public transit employees, food supply chain workers, veterinarians, court system employees, and custodial staff responsible for cleaning areas contaminated with COVID-19. The following workers are also eligible if they interact with the public for more than 15 minutes and are unable to physically distance: social workers, US postal service and delivery workers, security officers, and workforce center employees.
