Wyoming COVID-19 Vaccine Information

Because vaccine supplies continue to be limited, Wyoming is using a phased approach.

Counties are working through [Phases 1a-1c](#) with most vaccinating groups in 1c. Click [here](#) ([en Español](#)) to see more details for each priority phase. You can also view this [one-page snapshot](#) ([en Español](#)) of progress.

Who is included in Phase 1 of Wyoming's COVID-19 vaccine distribution plan?

***Frontline essential workers** include police, firefighters, correctional staff, funeral service practitioners, congregate care employees, healthcare providers, healthcare facility surveyors, teachers, child service providers, public transit employees, food supply chain workers, veterinarians, court system employees, and custodial staff responsible for cleaning areas contaminated with COVID-19. The following workers are also eligible if they interact with the public for more than 15 minutes and are unable to physically distance: social workers, US postal service and delivery workers, security officers, and workforce center employees.

****Health conditions** include cancer, chronic kidney disease, chronic obstructive pulmonary disease, solid organ transplant, sickle cell disease, down syndrome, pregnancy, diabetes, heart conditions, obesity (BMI over 30), immunocompromised state from solid organ transplant, blood or bone marrow transplant, immune deficiencies; long term high dose corticosteroids; or other immune weakening medicines; and severe neurologic conditions (including motor neuron disease, myasthenia gravis, multiple sclerosis, Parkinson's disease, cerebral palsy, quadriplegia or hemiplegia, progressive cerebellar disease, epilepsy, stroke and dementia).

*****Critical infrastructure workers** defined by CISA guidance retrieved from <https://www.cisa.gov/>.

What You Need to Know

- Vaccines are currently available in **limited supply** (though supply is steadily growing).
 - Because of this, Wyoming counties are **vaccinating in phases** (en Español).

FIND YOUR COUNTY TO LEARN MORE

- **The vaccines are FREE.**
 - If you have insurance, your insurance can be billed for administration fees. No fees will be billed to you.
 - If you do not have insurance, you will be able to get the vaccine and no fees will be billed to you.
- **The vaccines are SAFE.**
 - Learn more about the **benefits** and **facts** related to the COVID-19 vaccines.
 - CDC has **safety information and guidance** to help you prepare for your vaccination.
 - The authorized vaccines require two doses for maximum effectiveness.
- You can access more information on our **Vaccine FAQ** (en Español).

3/9/21

First Vaccine Doses Received: **132,680** (66,180 Pfizer/60,500 Moderna/6,000 Janssen)

First Vaccine Doses Administered: **101,738**

Second Vaccine Doses Received: **81,725** (41,925 Pfizer/39,800 Moderna)

Second Vaccine Doses Administered: **60,933**

Reporting of administered doses is up to 72 hours behind. Counts do not include federal doses provided separately and directly for tribal, VA, and military facilities.
