Wyoming COVID-19 Vaccine Information

Because vaccine supplies continue to be limited, Wyoming is using a phased approach.

Counties are working through Wyoming's vaccination effort. Click here (en Español) to see more details for each priority phase.

Who is included in Phase 1 of Wyoming's COVID-19 vaccine distribution plan?

PHASE 1a

- Healthcare workers who are exposed to COVID-19
- Staff and residents of long-term care facilities
- Law enforcement
- Workers who have exposure to infectious materials

PHASE 1b

- Individuals 65 years of age and older
- Some frontline essential workers who interact with the public*
- Individuals with specific medical conditions**
- People on the Wyoming Medicaid Community Choices Waiver and Developmental Disabilities waivers
- Caregivers of medically vulnerable persons who are unable to get vaccinated

PHASE 1c

- Individuals experiencing homelessness
- Individuals who live in group settings, including prison or jail
- Critical infrastructure workers***
- Individuals aged 50-64
- Individuals with moderate-tosevere asthma; hypertension or high blood pressure; liver disease; overweight (BMI 25-30); or Thalassemia
- Individuals living in college dormitories

*Frontline essential workers include police, firefighters, correctional staff, funeral service practitioners, congregate care employees, healthcare providers, healthcare facility surveyors, teachers, child service providers, public transit employees, food supply chain workers, veterinarians, court system employees, and custodial staff responsible for cleaning areas contaminated with COVID-19. The following workers are also tigible if they interact with the public for more than 15 minutes and are unable to physically distance: social workers, US postal service and delivery workers, security officers, and workforce center employees.

***Critical infrastructure workers defined by CISA guidance retrieved from https://www.cisa.gov/
