Wyoming COVID-19 Vaccine Information

What You Need to Know

UPDATE: Following a thorough safety review, the previously recommended pause for the Johnson & Johnson (Janssen) COVID-19 vaccine has been lifted. All Wyoming providers may resume administration of this vaccine. WDH has made specific recommendations for providers about this vaccine available.

The vaccines are FREE.

- If you have insurance, your insurance can be billed for administration fees. No fees will be billed to you.
- If you do not have insurance, you will be able to get the vaccine and no fees will be billed to you.

The vaccines are SAFE.

• CDC has safety information and guidance to answer questions and help you prepare for vaccination.

The vaccines WORK!

• Learn more about COVID-19 vaccination benefits and facts.

All Wyoming counties are offering vaccines to the general public.

• If you were included in an earlier priority group, you haven't missed your chance to get vaccinated.
