Wyoming COVID-19 Vaccine Information What You Need to Know

UPDATE: Following a thorough safety review, the previously recommended pause for the Johnson & Johnson (Janssen) COVID-19 vaccine has been lifted. WDH has made specific recommendations for providers about this vaccine available.

The vaccines are FREE.

- If you have insurance, your insurance can be billed for administration fees. No fees will be billed to you.
- If you do not have insurance, you will be able to get the vaccine and no fees will be billed to you.

The vaccines are SAFE.

• CDC has safety information and guidance to answer questions and help you prepare for vaccination.

The vaccines WORK!

• Learn more about COVID-19 vaccination benefits and facts.

Vaccine Questions?

Get the facts from Dr. Alexia Harrist, Wyoming's state health officer and state epidemiologist.

Click video links below for answers.

- 1. Are the vaccines safe?
- 2. Do the vaccines work?
- 3. Was vaccine testing rushed?
- 4. Which vaccine should I get?
- 5. Do I have to pay for a vaccine?
- 6. Should I wait to get a vaccine?
- 7. Should I get a vaccine if I am healthy?
- 8. How do I get a vaccine in Wyoming?
- 9. Do vaccines protect against variants?
- 10. What are the side effects?

COVID-19 vaccines are available for the general public!

If you were in an earlier priority group, you haven't missed your chance!
