Important Data Notes:

- **Click on map to enlarge; more details about graph data is available by hovering over items.**
- Coverage estimates, map and administration graphs are updated weekly.
- “Fully vaccinated” means two doses of Pfizer or Moderna or one dose of Janssen.
- Coverage estimates do not include vaccinations provided in Wyoming by VA or military facilities or vaccinations of people without a Wyoming address, but do include tribal vaccinations.
- 2021 population projections from the [Wyoming Department of Administration and Information](#) were used for coverage estimates.
- Administration information is based on provider location and does not include federal doses provided separately for tribal, VA and military facilities.
- **Administration** reporting is up to 72 hours behind.
- Data may not display well on mobile devices and may display better with Chrome.
