CDC NATIONAL VACCINATION DATA

Important Data Notes:

- Coverage estimates and administration graphs are updated weekly.
- "Fully vaccinated" means two doses of Pfizer or Moderna or one dose of Janssen.
- Coverage estimates do not include vaccinations provided in Wyoming by VA or military facilities or vaccinations of people without a Wyoming address, but do include tribal vaccinations.
- 2021 population projections from the Wyoming Department of Administration and Information were used for coverage estimates.
- Administration information is based on provider location and does not include federal doses provided separately for tribal, VA and military facilities.
- Administration reporting is up to 72 hours behind.
