PPE

Lab Information

- [ALERT: Everyone Should Be Wearing Face Coverings in Public.](#)
- [ALERT: For Rules Suspended Due to COVID-19 Public Health Emergency Under EO20-06.](#)
- [ALERT: Advisory For Travelers from New York, New Jersey, Connecticut, New Orleans and International Locations.](#)
- [ALERT: Learn More About Chloroquine Warning.](#) Click [here](#) for more information.
- For COVID-19 information for the state of Arkansas, click [here](#).
- To view the Governor's daily press briefings, click [here](#).

Please take steps to protect yourself. The ADH recommends:

- Wash your hands often with soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
- Practice social distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- Avoid going out except to get medical care. If you think you have been exposed to COVID-19 and develop a fever, cough, or shortness of breath, call your health care provider. Your physician will decide if testing is necessary based on your symptoms and known exposures.
- Wear a cloth mask when in public and unable to maintain a 6-foot distance from others. Click [here](#) to read the CDC's recommendations. The ADH offers [this do-it-yourself cloth mask design](#).
