COVID-19

An infographic on a blue background with a dark blue gradient at the bottom. It features four numbered steps, each with an icon in a white circle and text in white. Step 1: '1 WASH YOUR HANDS' with an icon of hands being washed. Step 2: '2 PHYSICAL DISTANCING' with an icon of two people with a dashed line between them. Step 3: '3 WEAR A FACE COVERING' with an icon of a face mask. Step 4: '4 GET TESTED IF NEEDED' with an icon of a thermometer and a clipboard with a checkmark.

To protect yourself and others, the ADH recommends:

- Wash your hands often with soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
- Practice physical distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- If you think you have been exposed to COVID-19 or develop a fever, cough, or shortness of breath, seek testing. Testing is available in many locations, including ADH Local Health Units.
- Wear a cloth mask when in public and unable to maintain a 6-foot distance from others. Click [here](#) to read the CDC's recommendations. The ADH offers [this do-it-yourself cloth mask design](#).
