**To protect yourself and others, the ADH recommends:**

- Wash your hands often with soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
- Practice physical distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- If you think you have been exposed to COVID-19 or develop a fever, cough, or shortness of breath, seek testing. Testing is available in many locations, including ADH Local Health Units.
- Wear a cloth mask when in public and unable to maintain a 6-foot distance from others. Click [here](#) to read the CDC's recommendations. The ADH offers [this do-it-yourself cloth mask design](#).
