## COVID-19

The infographic consists of four numbered steps, each with an icon in a white circle on a blue background. Step 1: 'WASH YOUR HANDS' with an icon of hands being washed. Step 2: 'PHYSICAL DISTANCING' with an icon of two people with a double-headed arrow between them. Step 3: 'WEAR A FACE COVERING' with an icon of a face mask. Step 4: 'GET TESTED IF NEEDED' with an icon of a thermometer and a clipboard with a checkmark.

### To protect yourself and others, the ADH recommends:

- Wash your hands often with soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
- Practice physical distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- If you think you have been exposed to COVID-19 or develop a fever, cough, or shortness of breath, seek testing. [Testing is available in many locations](#), including ADH Local Health Units.
- Wear a face covering when you are exposed to non-household members and physical distancing cannot be assured. Click [here](#) to read the requirements.
