Coronavirus Disease 2019 (COVID-19) in Colorado

[Colorado COVID19 case summary](Due to the high volume of traffic, it may take several minutes for updates to appear. Try clearing your cache & cookies, and refresh the webpage.)
All cases are presumptive positive, but this status does not delay public health response. The CDC provides official confirmation.

CO-HELP is Colorado's call line for the novel coronavirus (COVID-19). People who have general questions about COVID-19 can call CO HELP at 303-389-1687 or 1-877-462-2911, for answers in many languages, or email them at COHELP@RMPDC.org for answers in English.
