## State health department issues public health order closing Colorado bars, restaurants, gyms, theaters, and casinos-- still allowing takeout and delivery

The Colorado Department of Public Health and Environment issued a public health order to close bars, restaurants, gyms, theaters, and casinos to slow the spread of the COVID-19 virus, effective at 8:00 a.m. on March 17 for the duration of 30 days. The public health order will help the state slow and limit the spread of COVID-19 in Colorado communities.
