Do I need to isolate or quarantine?

Guidance around closures & cancellations

(°) CO-HELP

Colorado's call line for general questions about COVID-19, provides answers in many languages including English, Spanish (Español), Mandarin (普通话) and more.

303-389-1687 or 1-877-462-2911

☐ COHELP@RMPDC.org (answers in English only)

CO-HELP operators cannot recommend whether or where you get tested, provide medical advice or help you with your prescriptions. They cannot provide testing results. They cannot clear you to go to work. If you are seeking help for anything other than general questions, please try a health care provider or <u>nurseline</u>.

 $\ensuremath{\mathbf{\mathcal{Y}}}$ If you need medical attention, contact a health care provider.

MARCH 23, 2020

State health department issues public health order reducing in-person work and increasing social distancing

In order to protect public health and safety and slow the spread of COVID-19, this public health order increases social distancing and identifies critical workplaces that are exempt to make sure Colorado can provide goods and services to its people during the COVID-19 response.

MARCH 23, 2020

State health department begins to distribute resources from Strategic National Stockpile

DENVER, March 23, 2020: The Colorado State Emergency Operations Center (EOC) and Colorado Department of Public Health and Environment (CDPHE) are shipping supplies from the Strategic National Stockpile across Colorado starting today, Monday, March 23, to help communities respond to COVID-19.

MARCH 23, 2020

State health department sends testing resources to Montrose today

This testing site will serve about 100 high-risk patients who have been pre-selected by area health care providers as priority for being tested. The site will not accept walk-up or drive-up patients.
