Coronavirus Disease 2019 (COVID-19)

“”

NOTICE: Executive order from Governor Lamont: All non-essential functions in Connecticut should suspend in-person operations beginning Monday, March 23 at 8:00 p.m. This excludes any entity providing essential services or functions, such as healthcare, food service, law enforcement, and similar services. Businesses are strongly encouraged to employ work-from-home procedures. Additional guidance for businesses regarding this order will be released over the weekend. >> [Read the Governor's announcement](#)

Coronavirus Disease 2019 (COVID-19)

The Centers for Disease Control and Prevention (CDC) is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in many [locations internationally](#), including in the United States. The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”).

In Connecticut and throughout the world, [influenza](#) (flu) activity is high. The CDC encourages all people aged 6 months and older to be vaccinated. It is not too late to get vaccinated for the flu. Check with your healthcare provider, call your [local health department](#), or visit the [HealthMap Vaccine Finder](#) (adults) for availability of flu vaccinations.

Frequently Asked Questions
on the State of Connecticut's actions
related to COVID-19

Last Update: March 20, 2020 | 10:00 p.m.

Donations of Personal Protective Equipment: The State of Connecticut has activated a framework for donations of PPEs. Members of the public, businesses, and philanthropic organizations that wish to donate these vital materials are asked to fill out the online form at 211ct.org/DonationsCOVID19.

United Way 2-1-1 of Connecticut will be working with the state to collect the input of donation requests and will ensure that donated items are appropriate for the needs of hospitals and long-term care facilities. The specific items being requested by the state at this time include:

- N95 Respirators
- Face Masks/Surgical Masks
- Face Shields
- Surgical Gowns
- Gloves (nitrile, or non-latex)
- Thermometers
- Thermometer Covers (if applicable to type of thermometer)
- Hand Sanitizer
- Other Medical Items
