## Coronavirus Disease 2019 (COVID-19)

**NOTICE:** Executive order from Governor Lamont: All non-essential functions in Connecticut should suspend in-person operations beginning Monday, March 23 at 8:00 p.m. This excludes any entity providing essential services or functions, such as healthcare, food service, law enforcement, and similar services. Businesses are strongly encouraged to employ work-from-home procedures. Additional guidance for businesses regarding this order will be released over the weekend. >> [Read the Governor's announcement](#)

### Coronavirus Disease 2019 (COVID-19)

The Centers for Disease Control and Prevention (CDC) is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in many [locations internationally](#), including in the United States. The disease has been named "coronavirus disease 2019" (abbreviated "COVID-19").

In Connecticut and throughout the world, [influenza](#) (flu) activity is high. The CDC encourages all people aged 6 months and older to be vaccinated. It is not too late to get vaccinated for the flu. Check with your healthcare provider, call your [local health department](#), or visit the [HealthMap Vaccine Finder](#) (adults) for availability of flu vaccinations.
