Coronavirus Disease 2019 (COVID-19)

The Centers for Disease Control and Prevention (CDC) is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in many [locations internationally](#), including in the United States. The disease has been named "coronavirus disease 2019" (abbreviated "COVID-19").

In Connecticut and throughout the world, [influenza](#) (flu) activity is high. The CDC encourages all people aged 6 months and older to be vaccinated. It is not too late to get vaccinated for the flu. Check with your healthcare provider, call your [local health department](#), or visit the [HealthMap Vaccine Finder](#) (adults) for availability of flu vaccinations.
