Coronavirus Disease (COVID-19)

For information, call the information line at 1-866-408-1899, 1-866-408-

1899, TTY at 1-800-232-5460 or email dphcall@delaware.gov

Anyone who has returned from a country with a level 2 or higher travel alert - China, Italy, Iran, Japan, and South Korea - in the past 14 days and has developed symptoms such as coughing, fever and shortness of breath, should contact the Division of Public Health at **1-866-408-1899**.

Any returning travelers, again within the last 14 days, from these countries who do not have symptoms are also asked to call DPH at **1-866-408-1899** so that we can provide guidance on self-monitoring for symptoms and what to do if you do develop symptoms.

WHAT YOU CAN DO

Take steps to avoid spreading germs from any respiratory diseases by:

- Wash your hands and use hand sanitizer.
- Don't touch your face.
- Cover your cough with a tissue or your elbow.
- Stay home if you are sick.
- Get your flu shot.

SCHOOLS

To prepare for possible community transmission of coronavirus disease, the most important thing for schools to do now is plan and prepare. They also need to reinforce the message that students stay home when they are sick. If you have questions, call the Division of Public Health Information Line at **1-866-408-1899**.
