Virtual Town Hall March 11, 2020, 6:30p.m.

Send your questions to townhall@delaware.gov

Coronavirus Disease (COVID-19)

For information, call the information line at **1-866-408-1899**, 1-866-408-1899, **TTY at 1-800-232-5460** or email **dphcall@delaware.gov**

Anyone who has returned from a country with a level 2 or higher travel alert - China, Italy, Iran, Japan, and South Korea - in the past 14 days and has developed symptoms such as coughing, fever and shortness of breath, should contact the Division of Public Health at **1-866-408-1899**.

Any returning travelers, again within the last 14 days, from these countries who do not have symptoms are also asked to call DPH at **1-866-408-1899** so that we can provide guidance on self-monitoring for symptoms and what to do if you do develop symptoms.

WHAT YOU CAN DO

Take steps to avoid spreading germs from any respiratory diseases by:

- Wash your hands and use hand sanitizer.
- Don't touch your face.
- Cover your cough with a tissue or your elbow.
- Stay home if you are sick.
- Get your flu shot.

SCHOOLS

To prepare for possible community transmission of coronavirus disease, the most important thing for schools to do now is plan and prepare. They also need to reinforce the message that students stay home when they are sick. If you have questions, call the Division of Public Health Information Line at [1-866-408-1899](tel:1-866-408-1899).

BUSINESSES

To prepare for possible community transmission of coronavirus disease, the most important thing for businesses to do now is plan and prepare. They also need to reinforce the message that employees stay home when they are sick. If you have questions, call the Division of Public Health Information Line at [1-866-408-1899](tel:1-866-408-1899).

Delaware Division of Public Health - DPH
10 hours ago

Delaware Lt. Governor Bethany Hall-Long and Director of Public Health Dr. Karyl Rattay are holding a live Q&A from the State Health Operations Center on Thursday, March 12, at 11 a.m. The focus will be on the coronavirus disease and how it relates to hygiene and at-risk populations. Have questions you want to submit? Leave them in the comments on the DHSS post shared below.
