🏠 > Georgia Department of Public Health COVID-19 Daily Status Report

# Georgia Department of Public Health COVID-19 Daily Status Report

Today's significant increase in cases is in part reflective of improvement in electronic reporting efficiency from commercial laboratories. These reports often have sparse patient data and DPH will be working to complete these records, so data will change over time.

Report For: 03/24/2020 (12:00 pm)

\*Note: To ensure the most updated version of this webpage, please refresh your browser.\*

To ensure that the numbers being provided through the COVID-19 data tool are the most current numbers available, the updates are done at NOON and 7:00 pm every day.

*These data represent confirmed cases of COVID-19 reported to the Georgia Department of Public Health as of 12:00pm 03/24/2020. A confirmed case is defined as a person who has tested positive for 2019 novel coronavirus.*

COVID-19 Confirmed Cases by County

Count of COVID-19 Confirmed Cases \*Based on patient county of residence when known

0 1 - 37 38 - 74 75 - 111 112 - 148 149 - 184
