COVID-19

LATEST UPDATES

There have been 175 cases of COVID-19 identified in Hawaii. Of those cases, 7% have required hospitalization, and over 80% were residents returning from other areas. There have been no deaths. [MORE](#)

» IF YOU BECOME SICK

If you have symptoms or start to feel sick, stay at home and isolate yourself. Call ahead before seeing a doctor and notify them that you may have COVID-19.

[LEARN MORE](#)

» PREVENTION

Wash your hands often. Use soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
