Official Resources for the

NOVEL CORONAVIRUS (COVID-19)

If you have symptoms of a fever or cough, call your medical provider to find out if you should be tested for coronavirus.

See if our FAQ answers your questions. If not, call 2-1-1 or your local public health district with questions.

Idaho public health officials are monitoring the novel coronavirus disease (COVID-19) situation very closely. **Idaho is currently reporting 73 cases.**

Officials are working with CDC and other states and are also in regular communication with Idaho public health districts and healthcare providers around the state.

COVID-19 in Idaho

*Case count and laboratory testing data updated at 5:00 p.m. MT, 3/24/2020. Demographic data to be updated every Friday at 5:00 p.m. MT. State-level case count data will be updated at 5 p.m. MT daily, based on surveillance system records provided by the health districts. Public health district data will be updated on their agency website at their discretion.
