If you have symptoms of a fever or cough, call your medical provider to find out if you should be tested for coronavirus.

See if our FAQ answers your questions. If not, please call the Idaho COVID-19 Hotline at 1-888-330-3010.

Idaho public health officials are monitoring the novel coronavirus disease (COVID-19) situation very closely. **Idaho is currently reporting 525 cases.**

Officials are working with CDC and other states and are also in regular communication with Idaho public health districts and healthcare providers around the state.

COVID-19 in Idaho

*Case count and laboratory testing data updated at 5:00 p.m. MT, 3/31/2020. State-level case count data will be updated at 5 p.m. MT daily, based on surveillance system records provided by the health districts. Public health district data will be updated on their agency website at their discretion. **Data are preliminary and subject to change.**
