If you have symptoms of a fever or cough, call your medical provider to find out if you should be tested for coronavirus.

See if our [FAQ](#) answers your questions. If not, please call the Idaho COVID-19 Hotline at 1-888-330-3010.

Idaho public health officials are monitoring the novel coronavirus disease (COVID-19) situation very closely. **Idaho is currently reporting 525 cases.**

Officials are working with CDC and other states and are also in regular communication with Idaho public health districts and healthcare providers around the state.

COVID-19 in Idaho

*Case count and laboratory testing data updated at 5:00 p.m. MT, 3/31/2020. State-level case count data will be updated at 5 p.m. MT daily, based on surveillance system records provided by the health districts. Public health district data will be updated on their agency website at their discretion. **Data are preliminary and subject to change.**
