If you have symptoms of a fever or cough, call your medical provider to find out if you should be tested for coronavirus.

See if our [FAQ](#) answers your questions. If not, please call the Idaho COVID-19 Hotline at 1-888-330-3010.

Idaho public health officials are monitoring the novel coronavirus disease (COVID-19) situation very closely. **Idaho is currently reporting 2,015 confirmed and probable cases.**

Officials are working with CDC and other states and are also in regular communication with Idaho public health districts and healthcare providers around the state.

COVID-19 in Idaho

*Data updated at 5:00 p.m. MT, 4/30/2020. State-level data will be updated at 5 p.m. MT Monday through Saturday to more closely reflect lab and health district workflows. Data are based on surveillance system records provided by the health districts. Public health district data will be updated on their agency website at their discretion and might differ from data presented here. *Data are preliminary and subject to change.*
