Idaho's response to COVID-19 is now primarily local or regional in nature. The State of Idaho and Governor's Office will continue to monitor statewide COVID-19 activity and work closely with the seven public health districts across the state to ensure the health and safety of Idahoans. For questions about COVID-19 in your area, please contact your local public health district (<https://coronavirus.idaho.gov/contact/>).

Idaho public health officials are monitoring the novel coronavirus disease (COVID-19) situation very closely. **Idaho is currently reporting 27,660 confirmed and probable cases.**

Officials are working with CDC and other states and are also in regular communication with Idaho public health districts and healthcare providers around the state.
