Data is for cases that were tested and returned positive. Numbers are cumulative since Jan. 20, 2020. All data are preliminary and may change as cases are investigated.

Not all suspected cases of COVID-19 are tested, so this data is not representative of the total number of people in Minnesota who have or had COVID-19.

Updated April 8, 2020

Updated daily at 11 a.m., with data current as of 4 p.m. the previous day.

Dates provided are those when the case, hospitalization, or death was first posted in this situation report.
