CORONAVIRUS (COVID-19)

Home / Coronavirus (COVID-19)

Nebraska Medicine and the University of Nebraska Medical Center have led the world in treatment, training and quarantine methods for highly infectious diseases since caring for patients during the 2014 Ebola outbreak.

Experiencing symptoms?

- Call 911 if you are having difficulty breathing
- If you are experiencing other symptoms of a respiratory illness, we ask that you call 800.922.0000 prior to making an appointment or visiting the emergency room. Our staff will provide screening evaluation and recommendations on next steps. Symptoms of a respiratory illness can include:
  - Cough
  - Congestion
  - Sore throat
  - Fever

UNMC/Nebraska Medicine are currently caring for COVID-19 patients. **Read daily updates.**
