Protect Yourself and Others

Practice Social Distancing

Even if you feel well, stay at home as much as possible. In public, keep at least 6 feet distance from others. Avoid unnecessary appointments.

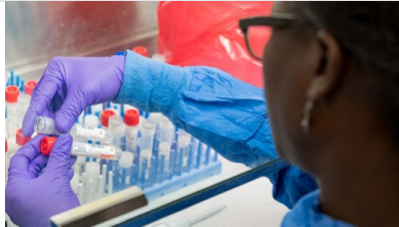

Wash Your Hands. Cover Your Cough

Cover your cough and sneezes. Use your elbow or a tissue. Avoid touching your eyes, nose and mouth.

Take Caution with New Yorkers At-Risk

Take special caution to avoid exposing the elderly and people with underlying health conditions. Avoid visiting those most at risk, call instead. Offer help with groceries and other goods.
