Novel Coronavirus (COVID-19)

NY State on PAUSE

Now in effect, all non-essential workers are directed to work from home.

10 POINT POLICY

ESSENTIAL BUSINESS...

LAST UPDATED: MARCH 23, 2020 AT 9:52AM

What You Need to Know

- Now in effect, 100% of the workforce must stay home, excluding essential services.
- [New York State on PAUSE](#): In New York we know that Policies Assure Uniform Safety for Everyone.
- All non-essential gatherings of individuals of any size for any reason are temporarily banned.
- Department of Motor Vehicles offices are temporarily closed for in-office visits. Online transactions, including for license renewals, are still be available. License and permit expirations will be extended.
- The Army Corps of Engineers will begin construction on four temporary hospital sites in New York State in an effort to address imminent capacity issues - the Jacob K. Javits Convention Center, and locations at SUNY Stony Brook, SUNY Old Westbury and the Westchester Convention Center.
- FEMA will erect four additional federal hospital facilities within the Javits Center. Each of the four federal hospitals will have 250 beds and come fully equipped and fully staffed by the federal government.
- Enacting Matilda's Law to protect New Yorkers age 70+ and those with compromised immune systems
 - Remain indoors
 - Can go outside for solitary exercise
 - Pre-screen all visitors by taking their temperature
 - Wear a mask in the company of others
 - Stay at least 6 feet from others
 - Do not take public transportation unless urgent and absolutely necessary
- All barbershops, hair salons, tattoo or piercing salons, nail salons, hair removal services and related personal care services will be closed to the public effective Saturday, March 21 at 8:00PM.
- Casinos, gyms, theaters, retail shopping malls, amusement parks and bowling alleys are closed until further notice. Bars and restaurants are closed, but takeout can be ordered during the period of closure.
- Testing is free for all eligible New Yorkers as ordered by a health care provider.
- Your [local health department](#) is your community contact for COVID-19 concerns.

HELP STOP THE SPREAD OF THE NOVEL CORONAVIRUS
Protect Yourself and Others

Practice Social Distancing

Even if you feel well, stay at home as much as possible. In public, keep at least 6 feet distance from others. Avoid unnecessary appointments.

Wash Your Hands. Cover Your Cough

Cover your cough and sneezes. Use your elbow or a tissue. Avoid touching your eyes, nose and mouth.

Take Caution with New Yorkers At-Risk

Take special caution to avoid exposing the elderly and people with underlying health conditions. Avoid visiting those most at risk, call instead. Offer help with groceries and other goods.

MAKE A PLAN & BE
PREPARED

Symptoms

The 2019 novel coronavirus may cause mild to severe respiratory symptoms.
