Lab Confirmed Cases: All Positives
166,605

Rate per 100,000: 1,895

Notable Dates:
March 4: Announcement of first NJ COVID-19 case
March 6: Start of commercial lab testing
March 9: EO 103, State of Emergency issued

March 12: Cancellation of public gatherings >250
March 16: EO 104, aggressive social distancing measures issued
March 18: Schools closed; cessation of in-person instruction at institutions of higher education

March 20: Start of mass-scale testing

March 21: EO 107, statewide stay-at-home order, closure of non-essential retail

May 2: Reopening of state parks and golf courses
May 14: Reopening of non-essential construction and curbside pick up at non-essential businesses
May 14: Reopening of beaches

Illnesses that happened during this time may not yet be reported

Illness Onset Date*

*If illness onset date unknown the date of specimen collection or the date of NJDOH notification is used, whichever is earlier.
*This dashboard shows laboratory confirmed COVID-19 positive cases.
