As of 1:00pm ET, April 15

[New Jersey COVID-19 Information Hub](#)

Positive†	71030
Deaths	3156
Negative Results*	72991

[Department of Health COVID-19 home page >](#)

† Includes deaths and results reported by state, commercial and medical center laboratories

* This figure includes data reported to the state by the state lab plus numerous private laboratory entities, representing more than 95 percent of private testing capacity in New Jersey.

COVID-19 and your child's health

Childhood Vaccines, Checkups, and COVID-19

Providers may not be able to provide well-child visits & immunizations for all patients at this time. If a practice can provide only limited well-child visits, they should prioritize newborn care and vaccination of infants and young children (through 24 months of age) when possible.

The banner has a green background with a textured, grass-like pattern. On the left, there is a circular icon with a blue background and a white syringe. To the right of the icon, the text "Get a Flu Shot!" is written in a large, bold, red, sans-serif font. Below that, the text "Stay Home When Sick!" is written in a large, bold, blue, sans-serif font. On the right side of the banner, the text "#FighttheFluNJ" is written in a large, bold, white, sans-serif font. Below that, the text "nj.gov/health/fighttheinflun" is written in a smaller, white, sans-serif font. At the bottom right, there is a logo for "NJ Health" with the text "New Jersey Department of Health" below it.
