NC State Laboratory of Public Health (NCSLPH)

The numbers in this section represent only NCSLPH testing and supplies.

- As commercial laboratories come online with testing, the NCSLPH will continue to work with partners across the public health systems to support identification and confirmation of COVID-19, assess the prevalence of COVID-19 in a community, and provide testing for underserved populations who may not have access to commercial testing.

- Supplies for approximately 560 patients at the NCSLPH

- 160 total tests completed at the NCSLPH
