

COVID-19 North Carolina Dashboard

Knowing when to dial up or down measures that slow the spread of the virus depends on North Carolina's testing, tracing and trends. This dashboard provides an overview on the metrics and capacities that the state is following.

On Aug. 12, 2020, NCDHHS [announced](#) corrections to the state's daily and cumulative completed COVID-19 test counts after discovering a discrepancy in testing data that had been submitted by LabCorp.
