Coronavirus Cases

REPORTING CHANGE: Numbers will now be updated once a day at 11 AM. This allows the Department of Health to investigate individuals who test positive before reporting to the public, reducing the number of necessary corrections.

Updated around 11:00 AM daily

Last updated: 4/3/2020 at 11:00 AM

Positive Cases: Number of individuals who test positive for COVID-19 from state and private labs.

Negative Cases: Number of individuals who test negative for COVID-19 from state and private labs.

Total Tested: Number of people tested for COVID-19 infection at state and private labs.

Recovered: Number of cases who tested positive and have since been released from isolation and are no longer contagious.

Hospitalized: Total number of positive cases who are currently or were hospitalized.

Deaths: Number of individuals who died from their COVID-19 infection.
