Oregon Health Authority | COVID-19 Updates

On March 8, 2020, Gov. Kate Brown declared a state of emergency to address the spread of COVID-19 in Oregon. The **Oregon Health Authority** (OHA) serves as the lead agency for the public health response. The Office of Emergency Management (OEM) coordinates and supports state and local recovery efforts through the Emergency Coordination Center (ECC). ECC is focused on minimizing any disruption to critical services in Oregon.

For general information on COVID-19 in Oregon, **call 211**. If you are having a medical emergency, call 911.
