Oregon Health Authority

On March 8, 2020, [Gov. Kate Brown](#) declared a state of emergency to address the spread of COVID-19 in Oregon. The **Oregon Health Authority** (OHA) serves as the lead agency for the public health response. The Office of Emergency Management (OEM) coordinates and supports state and local recovery efforts through the [Emergency Coordination Center](#) (ECC).

For general information on COVID-19 in Oregon, **call 211**. If you are having a medical emergency, call 911.

For Healthcare and Local Public Health

Stay Home, Save Lives

In the effort to slow the spread of COVID-19, we are asking Oregonians around the state to share information on how to stay safe and save lives. These materials may not only save a life, but also ensure hospitals have the room, supplies and staffing to care for all those who need it. Please feel free to download these materials and to share them, unaltered, in any medium for any noncommercial use.
