# Oregon Health Authority

On March 8, 2020, Gov. Kate Brown declared a state of emergency to address the spread of COVID-19 in Oregon. The **Oregon Health Authority** (OHA) serves as the lead agency for the public health response. The Office of Emergency Management (OEM) coordinates and supports state and local recovery efforts through the [Emergency Coordination Center \(ECC\)](#).

To slow the spread of COVID-19, Governor Brown issued an [Executive Order](#) that Oregonians stay home except for essential needs. Health officials urge [social distancing](#), good hand hygiene and covering coughs.

For general information on COVID-19 in Oregon, **call 211**. If you are having a medical emergency, call 911.
